Modern design meets the tropics

Every villa is designed around the art of outdoor living with spectacular amenities such as terraces, pools and gazebos. As you enter the villa, a grand foyer with two-story high vaulted ceilings and a floating staircase invite you to come in and explore. Beyond the villa's high-glass walls, a panoramic view of the Hispaniola coast stretches out before you. Ideal for entertaining, it is also private enough to relax without being disturbed.

As you lounge in a private infinity pool, the water's edge seamlessly blends into the Caribbean, extending out to the horizon. A steady breeze off the ocean cools the air around you as you enjoy lunch on the outdoor terrace. Inside the villa, the minimalist décor is unobtrusive, complementing your seaside view, and is designed for comfort with spacious walk-in closets, full kitchens and bathrooms equipped with modern fixtures.
